19 Under L.R. 7-3(d)(1), Plaintiffs object to the evidence submitted in connection with

20 Uber's reply in support of its motion to extend time to serve rebuttal expert reports. The new

21 "developments" have nothing to do with Uber's request to extend the expert rebuttal deadline to

22 complete all depositions before serving rebuttal reports.

- 23 • Uber invokes the supplemental report of Dr. Drumwright, but omits that the report
- 24 comes specifically in response to a 30(b)(6) deposition that occurred after the
- 25 deadline for Dr. Drumwright to serve her original report. Accordingly, the report is
- 26 an appropriate supplement under Fed. R. Civ. P. 26(a)(2)(E). In addition, Uber
- 27 stated in its motion that it does not intend to rebut Dr. Drumwright's opinions,
- 28 making her reports irrelevant to the requested extension.

- Uber attaches emails concerning its requests for certain data underlying Plaintiffs' psychiatric experts' reports. As the emails demonstrate, Uber provided the details and basis for its requests only yesterday. The parties will meet and confer on the requests (one of which concerns an expert who does not offer any opinions regarding the first-to-be-tried Dean case), but this potential dispute has no connection to Uber's requested extension.
